

Future Fashion: Create Fashion with a Tech Touch!

Free! A Five Hour Workshop: Starts at 10 AM – 3 PM November 19th

Please register early and arrive by 10 am, 10:30 am at the latest.

Snacks and LUNCH are provided!!

Earn *free* tickets to the exhibit at Seattle Art Museum!

Learn how to incorporate technology into your garments. In this workshop:

Learn to make circuits

Program them to make your fashion light up

Hack a hat, a shirt or make a bracelet!

Ages: 14-19 year olds

Where? South Park Community Center 8319 8th Ave S, Seattle 98108

As part of the Seattle Art Museum's Design Your [Neighbor]Hood Program and in partnership with The Seattle Public Library and Seattle Parks and Recreation, this program will introduce you to concepts regarding circuitry and e-textiles: the use of fabric with electronics to create smart textiles. Create clothing inspired by the "Yves Saint Laurent: The Perfection of Style" exhibition at the Seattle Art Museum and bring your own voice and that of your community to your project.

Register by contacting: gwen.wessels@seattle.gov or by calling 206-615-1727
